Activity Hunts

Event #1: Professor's Kiasu Scavenger Hunt

Late Professor Kiasu misplaced 3 previous gems – Ruby, Sapphire and Moonstone. His lab team has no idea about where they are too. His last note said that the gems will vanish into thin air if they are not brought back to the lab in time. Please help to find these gems and keep Professor's Kiasu legacy going!

Stand the chance to be rewarded with cash prizes up to $500 and other attractive prizes!

Simply, sign up to the National Steps Challenge™ Season 4 Youth Challenge and earn up to 750 Healthpoints when you join the Hunt!

Visit the Activity Hunt booth located on your campus to get your first clue!
