

Frequently Asked Questions Eat, Drink, Shop Healthy Challenge 2018

CHALLENGE MECHANICS

1. What is the Eat, Drink, Shop Healthy Challenge about?

The Eat, Drink, Shop Healthy (EDSH) Challenge is organised by the Health Promotion Board (HPB) to nudge consumers to make healthier choices when purchasing meals, drinks or grocery products. Using the Healthy 365 app, consumers will scan the QR code on Receipts or on QR Tickets after purchasing Qualifying Dishes, Drinks, and/or Grocery Products at participating outlets / stalls to earn digital stamps on the EDSH Challenge Digital Passport and Healthpoints.

2. When is the EDSH Challenge period?

You can participate in the EDSH Challenge and accumulate Healthpoints from 1 August 2018, 0000 hours to 26 October 2018, 2359 hours ("Challenge Period"), subject to blackout periods at participating outlets.

3. Who is eligible to sign up for the EDSH Challenge?

You are eligible to participate in the EDSH Challenge if you are:

- a) A Singapore citizen, permanent resident, employment pass holder or work permit holder; and
- b) An individual aged 17 years (born in the year 2001) and above at the time of collecting the prize.

All HPB employees and immediate family members are eligible to participate in this Challenge with the following exceptions:

- a) Winning prizes that are more or equal to S\$250 in value; or
- b) On-ground contests (e.g. cook-off competition)

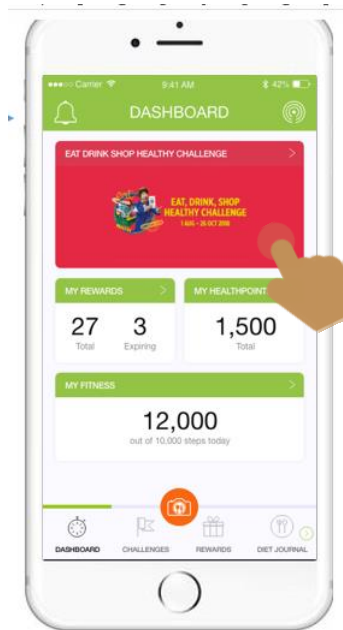

Employees of participating Partners are eligible to participate in this Challenge with the exception of ALL third-party vendors, service providers and/or event organisers (EOs) and their employees, who are involved in or connected to, directly or indirectly, the Challenge.

HPB reserves the right to discontinue, remove or disbar any user's or employee's participation in this Challenge should there be any suspicion of fraud during audits or routine checks.

4. How do I sign up for the EDSH Challenge on the Healthy 365 mobile application?

Please ensure that your smart phone is connected to the Internet before following the below instructions:

- a) Download the Healthy 365 app on App store or Play Store.
- b) Set up your profile if you are a new user on Healthy 365. If you have previously registered for an account but have deleted the Healthy 365 app, simply restore your profile.
- c) On the "Dashboard" tab, click on the "Eat, Drink, Shop Healthy Challenge".

d) After reading the Terms & Conditions, click “I Consent” and sign-up is complete!

If you already are an existing user on Healthy 365 app, simply go to the “Dashboard” tab and sign up for the Eat, Drink, Shop Healthy Challenge (from ‘Step C’ onwards)

5. Are all smart phone models compatible?

The following phone models are incompatible with the Healthy 365 app

1. Mercury A3S
2. LG G Pro Lite
3. LG G2
4. ASUS (All models)
5. Samsung S3
6. Umi Hammer
7. Acer Liquid X1
8. iPhone 4

Android and iPhone users need to minimally have OS 4.4 and iOS 8.0 respectively.

EARNING DIGITAL STAMPS AND HEALTHPOINTS

6. How do I earn digital stamps and Healthpoints for the EDSH Challenge?

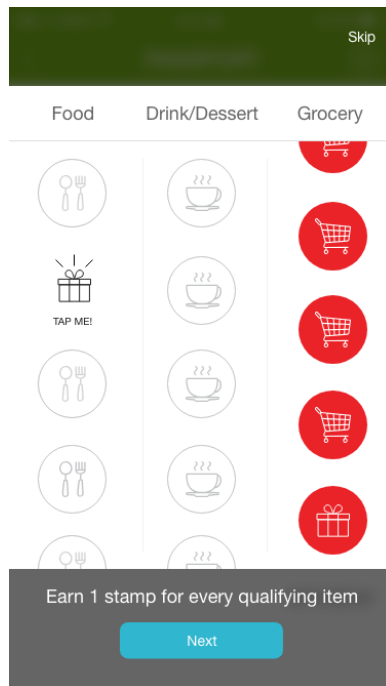

After signing up for the EDSH Challenge, visit any of the participating outlets (Please refer to www.gethealthy.sg/eatdrinkshop for the list of participating outlets.) and purchase any Qualifying Dish, Drink, and/or Grocery Product (refer to **question 13** on qualifying items).

Scan the QR code on the Receipt or QR Ticket with the Healthy 365 app by the end of the next calendar day (i.e. by 2359 hours) to earn digital stamp(s) and Healthpoints. For instance, if you received the Receipt on 1 August 2018, you will need to scan the QR code on the Receipt using

the Healthy 365 app by 2 August 2018, 2359 hours. To scan the QR code, click on the orange camera icon in the middle of the menu bar at the bottom of the app.

For every Qualifying Dish, Drink, and/or Grocery Product purchased, you will earn one (1) digital stamp on the EDSH Challenge Digital Passport, as well as Healthpoints, subjected to the weekly limit.

EDSH Challenge Digital Passport

Category	Digital Stamp Earned Per Healthier Item	Healthpoints Earned Per Healthier Item	Weekly Maximum Items for Each Category
Qualifying Dish	1	10	15
Qualifying Drink	1	5	15
Qualifying Grocery Product	1	5	20

7. What are the different ways I can receive a QR code?

You can receive a QR code in 2 ways – printed on Receipt or on a QR Ticket.

Refer to **question 8 – 9** for the mode of receiving QR codes. Please refer to www.gethealthy.sg/eatdrinkshop for the list of participating outlets.

8. How do I earn Digital Stamps and Healthpoints at participating outlets that issue QR Ticket(s)?

Upon a valid purchase, request for the QR Ticket(s) from the outlet staff at the counter immediately after purchase. Every Qualifying Dish, Drink, and/or Grocery Product entitles you to one (1) QR Ticket. For instance, if you have purchased two (2) qualifying items, you shall receive two (2) QR Tickets.

Scan the QR code using the Healthy 365 app **by the end of the next calendar day (i.e. by 2359 hours)** to earn Healthpoints, up to the weekly maximum Healthpoints for each category.

9. How do I earn Digital Stamps and Healthpoints at participating outlets that issue QR code on Receipt?

If you have purchased a qualifying item, you will receive a Receipt with a unique QR code printed on it. QR code on Receipt (s) is only valid until the end of the next calendar day, 2359 hours and must be scanned using the Healthy 365 app **by the end of the next calendar day (i.e. by 2359 hours)** to earn Healthpoints, up to the weekly maximum Healthpoints for each category.

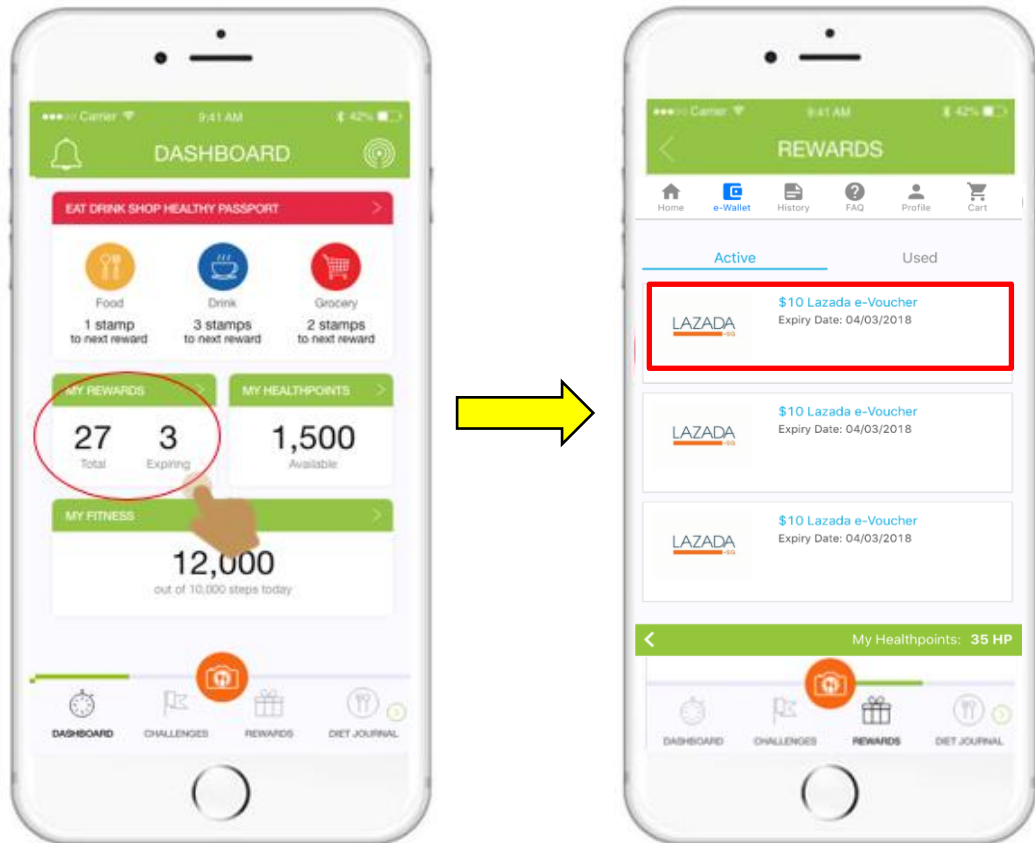

For QR codes printed on Receipt, you will only need to scan once regardless of the number of healthier items purchased. For instance, if you have purchased two (2) qualifying items, you shall receive one (1) Receipt with one (1) QR code printed on it. Scanning this QR code will entitle you to digital stamps and Healthpoints of two (2) qualifying items, according to the category.

10. What is the ‘Wins-Day’ Promotion about?

During the ‘Wins-Day’ promotion(s), each Qualifying Dish, Drink, and/or Grocery Product at selected qualifying outlets entitles you to additional Healthpoints (i.e. Bonus Healthpoints) with each scan of the QR code using the Healthy 365 app.

11. What happens when I land on a “reward” icon () on the EDSH Challenge Digital Passport?

You will earn reward(s) when you land on a “reward” icon () on the Digital Passport. The reward earned will be found in ‘My Rewards’, under ‘e-Wallet’ .

12. Which are the participating outlets?

Please refer to www.gethealthy.sg/eatdrinkshop for the list of participating outlets.

13. How do I know which are the Qualifying Dishes, Drinks, and Grocery Products?

- a) A **Qualifying Dish** refers to any dish sold in participating restaurants, foodcourts, hawker centre stalls, food kiosks and quick service restaurants that is labelled with any of the HPB's Healthier Choice identifiers shown below. Qualifying Dish may vary or differ with each participating outlet.

Qualifying Drinks refer to the drinks listed below that are sold in participating coffeeshops, foodcourts, cafes, drink kiosks, or hawker centre stalls :

- Siu dai/kosong hot and cold drinks at any participating outlet;
- Packaged drinks with the HCS;
- Packaged drinks with zero calories;
- Distilled, sparkling and mineral water;
- Selected specialty drinks with less or no sugar. These are:
 - i. Qualifying drinks for all Participating Outlets selling bubble tea: 50% or less sugar, with one topping except “ice cream” and “Oreo”
 - ii. Qualifying drinks for Jollibean and Mr Bean: Classic Soya Milk (16oz) with 50% or less sugar level

b) A **Qualifying Product** refers to any product sold in participating supermarkets, petrol marts and convenience stores that carries the Healthier Choice Symbol (HCS):

14. The participating outlet that I visited was supposed to issue a Receipt or Ticket with QR code but it did not do so. In such a case, how do I earn the Healthpoints for my purchase(s)?

Please check if you had indeed purchased a healthier item. Qualifying healthier items are indicated with our Healthier Choice identifiers, as outlined in [question 13](#).

- i. For outlets giving out QR Tickets, please request for QR Ticket(s) corresponding to the number of qualifying items purchased.
- ii. For outlets giving out QR Receipts, please request for a re-print of the Receipt for you, with the QR code.

If the above fails and the re-printed Receipt still does not have the QR code when you purchase a healthier qualifying item, please email us at eatdrinkshophealthy@hpb.gov.sg or call us at **1800 567 2020**, within fourteen (14) calendar days for further assistance. For instance, if you purchase a qualifying item on 1 September 2018 but did not receive a Receipt with QR code, you have till 30 September 2018 to raise the issue to HPB. Transactions logged later than fourteen (14) calendar days from the date of purchase will not be entertained.

HPB will require proof of purchase (e.g. image of Receipt) to validate that you have indeed purchased a qualifying item from participating outlet(s) for verification and investigation. In the event where you have bought a qualifying Grocery Product, kindly take a photo of the product with the HCS shown clearly.

Please be reminded to request for your Receipt from the outlet staff after purchasing healthier option(s), and scan the QR code on the Receipt by the end of the next calendar day (i.e. by 2359 hours) to collect your Healthpoints.

15. Why are Digital Stamp(s), Healthpoints and/or Bonus Healthpoints not awarded or not awarded accurately after I have scanned the QR code on Receipt and/or QR Ticket?

This may happen because of an error in the QR code or if you have hit your weekly maximum number of healthier items eligible. In a week, you can earn a maximum of 15 Qualifying Dishes, 15 Qualifying Drinks and 20 Qualifying Grocery Products.

Category	Digital Stamp Per Healthier Item	Healthpoints Per Healthier Item	Weekly Maximum Items for Each Category	Weekly Maximum Healthpoints* for Each Category
Qualifying Dish	1	10	15	150
Qualifying Drink	1	5	15	75
Qualifying Grocery Product	1	5	20	100

*Excludes Bonus Healthpoints

Healthpoints are capped at the weekly maximum for each category, hence any Healthpoints earned from healthier items purchased beyond the maximum will not be awarded.

Scenario 1

You have already earned fourteen (14) Qualifying Drinks this week.

After purchasing two (2) more Qualifying Drinks from a participating outlet, you will earn one (1) more digital stamp and 5 Healthpoints instead of 10 Healthpoints after scanning the QR code on the Receipt or QR Ticket. This is because the weekly maximum Qualifying Drinks is capped at 15.

If the participating drinks outlet happens to be eligible for 'Wins-Day' Promotion where every Healthpoint earned will be doubled, you will be eligible to earn 5 Bonus Healthpoints.

Scenario 2

You have already earned fifteen Qualifying Drinks this week, which is the maximum number of items that can be earned for the category in a week.

After purchasing another Qualifying Drink from a participating outlet, you will not earn any additional digital stamp and Healthpoints after scanning the QR code on the Receipt or QR Ticket.

If the participating drinks outlet happens to be eligible for 'Wins-Day' Promotion where every Healthpoint earned will be doubled, you will not earn any Bonus Healthpoints.

If it is not an issue of hitting the weekly maximum, please restart the Healthy 365 app and try again. If you think it is an issue with the QR code(s), please email us at eatdrinkshophealthy@hpb.gov.sg or call us at **1800 567 2020** within fourteen (14) calendar days for further assistance. Issues with transactions logged after fourteen (14) calendar days from the date of purchase will not be entertained. Our hotline operating hours are as follow:

Mondays to Fridays: 8.30am to 5pm

Saturdays and eve of Public Holidays: 8.30am to 1pm

Sundays and Public Holidays: Closed

16. Why am I unable to see all of my earned Digital Stamps?

The Eat, Drink, Shop Healthy Challenge's Digital Passport only displays the last 5 digital stamps earned for each category. It also will only show the next 20 digital stamp positions. The earned Rewards and Healthpoints would have already been credited to your account. You can check them under "My Rewards" and "My Healthpoints" respectively.

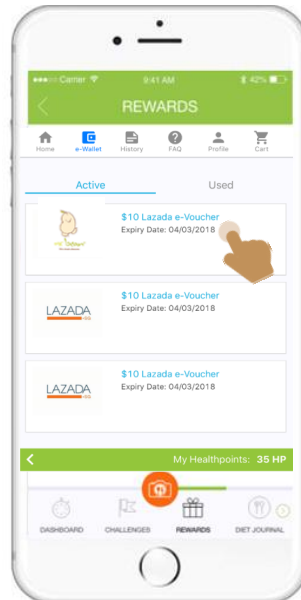

REWARD REDEMPTION

17. How can I redeem E-vouchers?

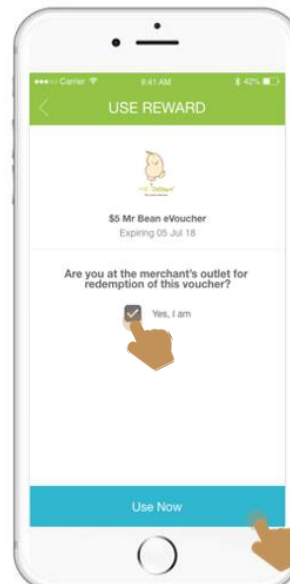

You will be required to be physically present at the participating outlet at the point when you are redeeming your e-voucher. Refer to the images below on how to redeem your E-voucher.

Step 1: Click on 'My Rewards' on the Dashboard tab

Step 2: Select the E-voucher that you want to redeem

Step 3: Check the box and click 'Use Now'

Step 4: Pass your phone to the merchant to scan the barcode / QR code. If your E-voucher does not come with the barcode /QR code, your redemption shall stop at Step 3.

Do note that HPB and our participating partners will not be held liable for reward(s) which had been clicked by you (and therefore, counted as 'redeemed') before reaching the outlet(s), unintentionally or otherwise. No form of compensation or replacement will be made.

You have to redeem the reward at respective participating outlets in accordance with the terms and conditions specified on the E-voucher found on the Healthy 365 app. If any dispute arises between you and a Partner, HPB shall not be held liable and accountable for any consequences arising from such dispute. For the avoidance of doubt, HPB shall not be liable for any changes in a Partner's terms and conditions, and you shall deal with any such disputes directly with the Partner.

All E-vouchers must be redeemed by the date stipulated in the T&Cs of the E-vouchers. Extension of validity will not be permitted or given.

18. What can I do with my Healthpoints?

Accumulate Healthpoints to redeem supermarket or F&B vouchers from the Healthpoints Rewards Catalogue. The types of rewards are available on a first-come-first-served, basis, while stocks last.

19. Are rewards and prizes exchangeable?

All rewards and prizes are not exchangeable whether for cash or in kind.

20. When will my Healthpoints expire?

They will expire 6 months from the month they were earned e.g. Healthpoints earned in August 2018 will expire 31 January 2019. The date of expiry can be found in app in the Healthpoints summary. All Healthpoints must be redeemed before expiry. Extension of validity or restoration of Healthpoints will not be permitted or given.
