Failure to do so would invalidate the QR code on the Receipt and you will not receive any Healthpoints nor digital stamps for your purchase. HPB shall not be liable for Healthpoints and digital stamps that are not earned as a result of you failing to scan the QR code by end of the next calendar day of your purchase.

² Recommended for Android and iPhone users to download with minimally OS 4.4 and iOS 8.0 respectively.

9. If you bought a qualifying item but did not receive a Receipt with QR code printed or if the QR code on the Receipt cannot be scanned on the Healthy 365 app, you must inform HPB within 14 calendar days (including the day of purchase). Please refer to Section I for HPB's contact details.
