

## **SCAN & WIN TERMS & CONDITIONS**

### **Scan & Win Overview**

- Participants can download the Healthy 365 mobile app from Google Play Store or Apple App Store to create a profile
- Participants who have successfully signed up for the National Steps Challenge™ will have the options of tracking their steps through their HPB-issued steps tracker, purchasing a compatible steps tracker at a discount from partners, or use fitness apps with steps tracking function, namely Samsung Health (for Android) and Health Kit (for Apple).
- Participation in the Scan & Win is free.
- In Scan and Win, participants may scan up to two unique QR codes per day from designated Scan and Win Hotspots listed under “Nearby” on the Healthy 365 mobile app.
- Every 10 valid QR codes scanned will be awarded 80 Healthpoints
- No Healthpoints will be awarded before the tenth valid QR code is scanned
- To ensure legitimacy of the Scan & Win, participants will be required to activate their mobile phone’s GPS location service as the scanning of QR code at an outdoors Scan & Win hotspot will only be successful if participant is within a specified range of distance from the Scan & Win hotspot. Participants will need to ensure that their Bluetooth and mobile network are activated at these locations in order to conduct a successful scan.
- HPB may change the locations of the Scan and Win Hotspots and the Healthpoints awarded at its discretion without prior notice
- HPB may add new QR codes or remove or replace existing ones without prior notice
- HPB may run special, ad-hoc Scan & Win promotions or events that may or may not adhere to the existing mechanics
